**NEW BUSINESS:**

Brian Lake from K2 Engineering opened the one bid that was received for the seal coat project. The bid was from Russell Standard Corporation and read as follows: one coat for 42 roads, 90,000 square yards at \$2.05 per yard, total \$184,625.05. Double coat on 4 roads, 22,000 square yards, \$3.97 per yard, total \$87,177.23. Total for project: \$271,802.28.

Kevin O'Malley explained that a warning letter had been received from Penn DOT about extending projects into 2022. Brian Lake said that approval could be received from Penn DOT to extend the project past the due date of September 15, 2021. Kevin felt that extending the project into 2022 would change the original bid. A letter from Russell Standard was included in the bid that mentioned the possibility of extending the work into 2022.

Joe Kovach made a motion to accept the bid if the work can be completed by September 15, 2021. Lou Kovach seconded the motion and the motion passed unanimously. If the work cannot be completed by September 15, K2 will re-bid the project in December, 2021.

**ADJOURNMENT:** A motion was made by Bill Monahan and seconded by Lou Kovach to adjourn the meeting at 9:20 am. The motion passed unanimously.
